

RegaLia (COTX08365f-3P/P)

TEXAS A&M
UNIVERSITY

Fresh market specialty

Fingerling shape, smooth skin, purple skin, purple flesh

❖ Strengths:

- ✓ high levels of antioxidants
- ✓ Fun color flesh change when cooking (depending on pH: acidic: reddish; basic: bluish)

❖ Weakness:

- ✗ PVY susceptible
- ✗ Undefined market
- ✗ Marbled concentrated pigmentation overtime

Availability:

Clean in tissue culture

Licensing: Texas A&M University System
